MORE RESTRICTIVE METHODS OF TREATING RESOURCES  
THAN THOSE OF THE SSI PROGRAM - Section 1902(f) States only

Aged and Disabled

1. If single, may own cash or securities with a value of less than \$1,000. If married, and living with spouse, the amount they own, individually or together, cannot exceed \$2,000.
2. In accordance with Section 303(f) of P.L. 100-360, the home is not considered a resource, regardless of the value of the home. For town or city property, lots on which there is no dwelling and which adjoin the residence are considered a part of the home (regardless of the number of lots so long as they are in the same city block). For rural property, the acreage on which the home is located plus any adjoining acreage will be considered part of the home. (Property will be considered as adjoining even though a road may separate two (2) tracts.)
3. Does not have real property in which he has not lived for the past 24 months with an equity of \$1,000 if single, or \$2,000 if married.

Blind

Real or Personal Property - A claimant, to be eligible, must be one "who does not own or possess real or personal property of the total value in excess of two thousand dollars or more. Provided, however, that if such person is married and actually living with spouse, he or they jointly may own real or personal property not to exceed four thousand dollars. Provided further, that in determining the total value of property owned, the real estate occupied by the blind person or spouse as a home, burial lot, or real or personal property used directly by the blind person in remunerative employment, clothing, furniture, household equipment and personal jewelry shall be excluded." (Subsection (10) of Section 209.230).
